

## Citrus Grove Application Addendum

In addition to the Agriculture Classification application, please provide the following when applying for agricultural classification on a citrus grove:

- 1) Map of the grove with individual block numbers shown.
- 2) A description of the variety or varieties planted on each block.
- 3) Net acres per variety per block.
- 4) The number of boxes per acre picked for each variety on each block and the gross price per box from the most recent picking season.

This information, as well as other required information, must be submitted in order to ensure a complete application.
